III. New Items:

a. **Board Chair**

Nothing to report.

b. **Executive Director Report:**

- 1) Renewal update. Mr. Hawley informed the board that, as of this week, 48 licensees have allowed their licenses to expire. This far exceed the number of licensees in recent years. Over the past ten years the highest number of expirations in any given year was twenty. Mr. Hawley reported that a large number of the expirations were for licensees who reside outside of Massachusetts. He wondered whether the expirations were due in part to the MassHealth application requirement that has been placed on renewing

licensees. Mr. Hawley indicated that a few licensees had indicated that it was not worth the effort to apply to MassHealth to keep active licenses active when the licenses were not being used.

- 2) Mr. Hawley indicated that a small number of licensees returned questionnaires with answers that warrant further investigation. The questionnaires will be presented to the board in closed session at a future meeting.

c. **Board counsel, Sheila York's report to the board:**

- 1) Reciprocal application. Attorney York reported that the board had received a reciprocal licensure application from N. Yudkoff who is licensed in New Jersey. Dr. Yudkoff reported one malpractice settlement that took place thirty years ago. Attorney York indicated that the requirements for licensure in New Jersey at the time Dr. Yudkoff obtained licensure were substantially similar. The Board indicated that Dr. Yudkoff should proceed with the licensing process.

d. **Legislative update:**

- 1) John High, the Division of Professional Licensure's assistant legal counsel and director of external affairs was unable to attend the meeting and will appear at the next meeting. Attorney York gave a brief update on pending legislation including a proposed bill that would move the podiatry board under the board of registration in medicine. Attorney Molloy of Lynch Associates provided further details on proposed legislation that may impact podiatry.

e. **Open session for topics not reasonably anticipated by the chair 48 hours in advance of meeting.** – None.

V. **Investigative Session** - Closed Session pursuant to M.G.L. c. 112, Section 65C:
